Bar Manager/Trainer at 1806 Cocktail Bar

Stacy has been in the hospitality industry for over twelve years. His career begins at **Room 680** a quick paced nightclub bar with a focus on high volume sales. Stacy spent almost three years assembling a successful bar team and cocktail list.

Moving his career onto **Cookie** gave him the opportunity, and the privilege, of working with one of Melbourne's finest bartenders - **Sean Hastings**. Over the course of a year he learned a great deal of amazing techniques to develop cocktails that were not only unique but also balanced and appealing to individual customers.

The next stage was a result of being employed by **Jamie Oliver's** concept restaurant **Fifteen**. It was an extremely rewarding job, yet also one of the most challenging experiences he has encountered. Fine dining was a new and exciting experience to Stacy. The position demanded acquiring new skills extremely quickly, which resulted in a greater understanding between restaurant bars and cocktail bars.

Stacy has also graced his fine talents behind award winning cocktail bar **Black Pearl** in Fitzroy. Another great bar sporting fantastic products and extremely knowledgeable staff he brought a wealth of experience to the **Black Pearl** team.

Stacy is can be found working as one of the Bar Manager's at **1806**. Working with **Sebastian Reaburn**, possibly the most educated and revered bartender in Australia. This award winning cocktail bar has taken out the award of 'Cocktail List of the Year' in the internationally recognised 'Tales of the Cocktail' awards in New Orleans in 2008. Not only confined to managing staff and the bar at **1806**, Stacy has recently achieved his Certificate IV in Training and Assessment.
